

# Media documentation 2024

The straight way to a high-end target group which is specifically interested in architecture, building, interiors and design.

RAUM UND WOHNEN interprets «living» as an important component of our culture. From this perspective an editorial concept was developed which represents the documentation of good taste in all its variety. Generously displayed articles from the areas architecture, lifestyle and design characterise the face of this successful magazine.

Not only the Swiss perspective is illustrated but a colourful overview of European lifestyle culture in the broadest sense is provided by international articles. Corresponding to the level of the editorial, the design of RAUM UND WOHNEN is also very high.

The editorial team will now focus on a special topic in each issue. The readership will therefore be made aware of trends and innovations that are currently being discussed in the industry. The topics are equally concerned with new materials, art, interior design, craftsmanship and enjoyment.

Layout, breakdown and modern typography assure that the print - whether editorial or advertisement - always finds a high level of attention. The editorial concept and high quality standards are particularly attractive to men and women of the middle and upper classes. The target group reached by RAUM UND WOHNEN is established and extrovert. The supreme way of dealing with wonderful and valuable objects -

to which the home primarily belongs as an expression of personality and lifestyle - openness to everything new and an avid interest in anything which helps to make everyday life more pleasant, varied and lovely, are characteristics of the readers of RAUM UND WOHNEN, who are addressed here in an appropriate way.

### Wohnen

#### Kleidung mit Stil

Hochzeit, Geburtstag, Jubiläumsfeier — so gross die Freude über einen besonderen Anlass auch sein mag, die Wahl eines angemessenen Kleidungsstückes wird dabei schnell zur Herausforderung. Völlige Entscheidungsfreiheit hingegen geniessen wir beim Stil der Wand- und Bodenbekleidung. Denn unser Zuhause unterliegt nur einem einzigen Dresscode – dem persönlichen.

#### Schönheitsschlaf

Es gibt Menschen, die legen sich abends einfach nur ins Bett und schlafen direkt ein. Wie beneidenswert! Was ich hingegen brauche, ist eine Umgebung zum Wohlfühlen. Denn es dauert eine ganze Weile, bis mir abends die Augen zufallen – und so lange lasse ich meinen Blick gerne über eine schöne Schlafzimmereinrichtung schweifen.

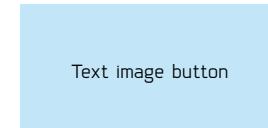

#### Lässig opulent

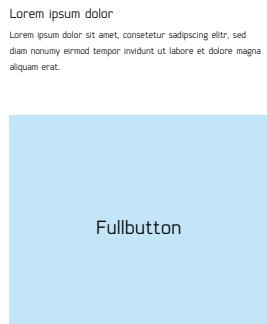

Üppig ist nicht immer gut. Denn zu viele verschiedene Möbel, Materialien und Accessoires finden nur dann zu einem stimmigen Ganzen zusammen, wenn der Stylist sein Handwerk beherrscht. Adrian Vigano tut das und beweist es mit einem lässig-opulenten Esszimmer.
